

# Policy regarding the facilities of the student body

The guidelines and principles that is applied to the current operations are presented below.

## 1. Bondgatan

All members of Teknologsektionen Industriell Ekonomi has a responsibility to keep Bondgatan clean after use. Cleaners and other member has the right to remove any lunch box that has remained in any of the two kitchens that are available at Vasa for too long. Other belongings that remains on Bondgatan for too long, with the knowledge of the owner, may be removed.

All committees have the responsibility to keep their own rooms clean. All committees are responsible to keep Bondgatan and the nearby rooms, the kitchen included, clean. There shall not be any drapes or similar blocking doors and windows to the rooms of the committees.

## 2. Triggering of the fire alarm

If the fire alarm is triggered during an arrangement or activity with a clear connection to a committee the responsible committee shall pay the cost. If the assets of the committee are not enough to pay of the cost at the time a payment plan will be discussed with the Board of the Student Body. If an individual triggers the alarm and the Board of the Student Body finds is to be with purpose he or she will pay the cost. In other cases, the Board of the Student body may pay the cost.

## 3. Vandalism

If material damage occurs on Teknologsektionen Industriell Ekonomi's property in the facilities of Vasa during an arrangement or activity the responsible committee shall replace the item with an equivalent item.

If the Board of the Student Body finds that an upgrade of the item is necessary, the Board will pay the difference. If an individual is responsible for damage, during an event or not, he or she will pay the cost of replacement. If the Board finds it as an accident the Board will bear the costs.

## 4. Miscellaneous

Objects found can be handed to the Board of the Student Body.
