

Policy regarding the conduct at the Student Body

Below are the principles to be applied at the student body.

1. Purpose

This policy's purpose is to define guidelines for the members of the student body when in contact with other members and other parts of the student union.

2 When meeting other members of the student body and committees:

- Behave respectfully towards the student divisions committees and their arrangements.
- Behave respectfully towards other students at the student division.
- Behave respectfully towards other student divisions students and committees as well as their arrangements.

3.1 As a member of the student's body

- Treat the body's premises carefully.
- Under no circumstances sleep in any of the divisions premises. One should also make sure no one else sleeps in the body's premises.

Punishments when exceeded:

- Two weeks suspension from all events at the student's division event.
- Suspended from being at Bondgatan from 6pm to 7am.
- Not allowed wearing committee clothes during these two weeks. Ej tillåten bära kommittékläder under dessa 2 veckor.
- Not allowed to be inside the committees' rooms during these two weeks.

3.2 As active in a committee:

- Is responsible for being an example of good behavior regarding caring for the division's premises
- Shall in case of emergency or damage report this to the board of the student division.
- Each one has responsibility for caring of committee room if they have any.

4 Uppförande under sektionsarrangemang

As events of the student body is included all events where whole or major parts of the students at the division has the possibility to participate.

- During events at the students division shall no inappropriate behaviour that's offensive or against any policy of the student division or student union.
- During events at the students division shall no one cause damage or unnecessarily wear down the premises used.
- During events at the students division and in case of damage or misbehavior shall arranging committee prevent person causing damage or misbehaving as best they can and report to social responsible in the board.

5 Penalty scale of the student body

Exceeded policy regarding the conduct at the student body will result in a penalty scale being used.

5.1 Member of the student body

- Suspension from all events of the student body from one event up to a year.

5.2 Committee or association member

- Warning
- Suspension from the committees room and not allowed to represent the committee. Which means not to wear the clothes of the committee nor be presented at the events the committee arranges, only do the work needed. Length: from upcoming event to a year.
- Excluded out of the committee

6 Remarks

1. Note that a warning has no end in time.
2. For a member in a committee both scales are used.
3. When suspended as commitemember ant not represent the committe representing the student body is included.
4. At any incident the board decides together with concerned parts how the penalty scale shall be applied.
5. The board could at any major incident decide to use any step of the scale.
